

# Mehdi Bolfion

## Research Institute of Applied Science

Shahid Beheshti University  
Shahid Shahriari Square  
Daneshjou Boulevard  
Shahid Chamran Highway  
Tehran, Iran

**Birth:** 05 August 1982 – Tehran / Iran  
**Marital Status:** Married  
**Phone:** +98-912-1238115  
**E-mail:** [mehdibolfion@gmail.com](mailto:mehdibolfion@gmail.com)

### Summary

I am a motivated, responsible, and organized scientist with an eye for detail. I enjoy carrying out a project from idea to results and have expertise in hands-on research in the laboratory as well as statistical analysis and reporting. I take pride working in a team, as a member and as a supervisor and take initiative to achieve progress.

### Keywords and skills

#### Technical skills

- Isolation, Identification and Phenotypic Characterization of Medically important bacteria
- DNA & RNA extraction, PCR, RFLP & DNA fingerprinting, gel electrophoresis, and Southern blotting
- Bioremediation and biodegradation of Oilfields

#### Personal skills

- From idea to result
- Problem solving
- Protocol optimization and implementation
- Project management
- Collaboration

### Work experience

#### 2010 – Current

##### Academic staff

Department of Petroleum Microbiology, Research Institute of Applied Sciences, Shahid Beheshti University, Evin, Tehran, Iran.

I investigate about Biology, Medical Biology and Industrial Microbiology. In the field of industrial microbiology, since Iran is an oil-rich country, I work on the use of microorganisms to eliminate oil pollution, including the isolation of oil-eating bacteria, optimizing their growth and using them to clean oil-contaminated areas. In Medical microbiology, I also do research on molecular identification of pathogenic microorganisms, study of their pathogen genes and solutions to eliminate these infections.

#### 2006 – 2010

##### Research assistant

Department of Foodborne and Diarrheal Disease, Research Center for Gastroenterology and Liver Diseases, Shahid Beheshti University, Tehran, Iran

there I accomplished some research independently or in a team mainly in cellular and molecular biology and microbiology. I had experiences in different aspects of cellular and molecular biology such as: Isolation, Identification and Phenotypic characterization of medically important bacteria, rapid automated microbiological systems, proficient in DNA & RNA extraction methods & polymerase chain reaction (PCR) and its modified methods, RFLP & DNA fingerprinting, Southern blotting, Gel electrophoresis.

### Education

#### 2006 – 2009

##### M.Sc

Microbiology

Azad University, Tehran North Branch, Tehran, Iran

Molecular Identification of Mycobacterial Isolates Collected from Pigeon

#### 2001 – 2005

##### B.Sc

Cellular and Molecular Biology (Microbiology)

Azad University, Tehran North Branch, Tehran, Iran

### Language Skills

English (Moderate), Persian (Mother tongue)

### References

#### Nader Mosavari

Director and President of PPD Tuberculin Production Department  
Razi Vaccine & Serum Research Institute, Karaj, Iran  
Phone: +98-261-4502892 & +98-912-4968907  
Email: [n.mosavari@gmail.com](mailto:n.mosavari@gmail.com)

#### Mitra Salehi

Associate Professor  
Azad University, Tehran North Branch, Tehran, Iran  
Phone: +98-912-4474312  
Email: [mitra\\_salehi\\_microbiology@yahoo.com](mailto:mitra_salehi_microbiology@yahoo.com)
